

COVID-19 Health Reporting

You should **NOT** be at work if you are experiencing flu-like symptoms associated with COVID-19:

- coughing,
- fever,
- difficulty breathing

If you develop these symptoms while at work, you should immediately contact your supervisor.

If you have symptoms, complete the 811 self-assessment tool to determine if you require COVID-19 testing. If you cannot access the self-assessment tool, please call 811.
